Classify animals *Textbook*

Listen to your teacher read an information text about different kinds of animals. Follow these steps:

1. Copy the mind map below into your exercise book.
2. While you listen, look at the headings in your mind map. Match them with what your teacher is reading.
3. Use the information your teacher read to you to complete your mind map.
4. In pairs, tell each other why you chose the animals you wrote under each heading.
