Week 13: 13-17 July
Monday - Thursday
Examination paper

Monday

You are not writing an examination paper this term, therefore it will be good to do the paper in the text book, as practise. First do the reading comprehension test. Turn to p.98 in your text book. Read the passage carefully, asking yourself after each paragraph what it is about. Write Examination Paper 2 as your heading in your classwork book. Read each question carefully. Answer in full sentences, unless you need to write just a word or letter.

Tuesday

Do the language in context questions in your classwork book. Take note: in some of the older text books the questions are numbered incorrectly. After no 6 just number the rest 7, 8 and 9. Write Language in Context just below the comprehension you did yesterday and answer the questions.

Wednesday

Mark the comprehension test
and the language in context
questions.

Find the answers in Memo:
Examination paper 2 file.

Thursday

Worksheet: Phrases

A phrase is a group of words without a verb. By adding a phrase to a sentence it makes it more interesting and adds extra information.

Write Phrases as your heading and just write the correct phrase in your classwork book from no 1a) – j).
