Week 9 planning

Hi there grade 5! This week we are going to do fun & short activities. It shouldn't take you too long – so enjoy them!

Monday:

- Do the crossword puzzle about homophones

Tuesday:

- Youth day = Off day! (Yay!)

Wednesday:

- Complete the Winter word search!
- Use a highlighter and a ruler to mark your words, your answers should look better than mine (I couldn't use a ruler online ☺)

Thursday:

- Complete the compound confusions activity

Friday:

- Learn the spelling words of week 9
- Then read the story of the policeman and the strange boots.
- I have purposefully spelt some of the words wrong that are included in your spelling list! (Only two have not been mentioned in the story)
- Write out the words that I have spelt wrong and put them in alphabetical order.
