

NATIONAL LOCKDOWN PERIOD
ENGLISH HOME LANGUAGE GRADE 5
PLANNING WEEK 14: 20- 24 July 2020

Please take note:

- We shall start with language exercises and finish all the term 2 work that is going to be examined later in the year (no specific date at this stage).
- Do all the language exercises in your classwork book, as usual. (If your book is at school, use another book or folios that you staple together or keep in a file.)
- Write proper headings with page references and dates.
- Attempt all the questions, do not leave blank spaces. All this work will have memorandums that will be sent to you the next week.
- All page references refer to your text book, Platinum.
- Continue speaking five minutes English **every day**. Get a specific time at which you do this, for example before or after doing your English, at dinner time, etc.
- Read English for 3 minutes before you start your English work **every day**, as you do in class. This must be from a book of your own choice. Then tell your mother/brother/sister/cat/dog what you have just read.
