- Do all the language exercises in your classwork book, as usual. (If your book is at school, use another book or folios that you staple together or keep in a file.)
- Write proper headings with page references and dates.
- Attempt all the questions, do not leave blank spaces. All this work will have memorandums that will be sent to you the next week.
- All page references refer to your text book, Platinum.
- Continue speaking five minutes English **every day**. Get a specific time at which you do this, for example before or after doing your English, at dinner time, etc.
